

## Why is Fresh Air the Ultimate Cleaning Task?

When we detect malodors in a restroom - - at work, a public facility, or a restaurant - - the fixtures and floors can be clean, and we can wash our hands but we just won't feel clean. The **ulti-MIST Odor Control Management System** from Ultimate Solutions, Inc. paired with our other effective cleaning chemicals, can help you maintain that clean, odor-free facility that employees expect and customers demand.

## The Dispenser for the Job

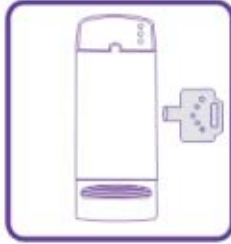

Whether your restrooms are used 24 hours a day, or just during office hours, Ultimate Solutions has the dispenser for you. The **ulti-Mist 1000** can be programmed to dispense powerful odor-controlling chemicals every 5, 10, 15, 20, 25, or 30 minutes, operating 12 hours or 24 hours a day. The strong ABS plastic case matches your restroom design and is easy to keep clean. Once programmed, the dispenser is maintenance-free until refill is required. (Dimensions 9.0"H x 3.5"W x 3.25"D)

## The Fragrance for Your Environment

The **ulti-MIST** aerosol formulas are blended with odor counteractants that neutralize odors - - not just mask them - - and leave the air smelling fresh. Aerosol containers provide over 3,000 shots and up to 30 days of service. No CFC's or other chemicals that threaten the ozone and the environment. And Ultimate Solutions offers 12 creative fragrances - - Linen Fresh, Apple Orchard, Powder Fresh, Ocean Mist, Tropical Dream, Hawaiian Ginger, Peach Passion, Lemon Zest, Cinnamon Spice, Fresh Vanilla, Orange Citrus, and Sweet Mango.

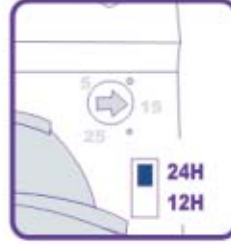

The ulti-MIST™ 1000 Dispenser is Easy to Fill, Easy to Set to Your Environment

Unlock the cabinet lock (on the side) and open the cabinet cover.

Set the spray adjustment wheel to a frequency of spray every 5, 10, 15, 20, 25, or 30 minutes.

Select the spray operation setting for continuous operation (24 hours) or business day (12 hours).

Remove the cover on the refill can and insert the can under the pump arm. Close and lock the cover.

Sensor lights on the dispenser chassis show when the refill can or the battery needs replacing.
